Message From

**Chairman**

The institution came into existence in 2019 with intention to become one of the esteemed organization that is solely dedicated in the field of pharmaceutical education and research and to produce competent world class professional with glorious career. With the commitment and focus as enunciated here, we are punctiliously raising the educational standards by offering you a world - class program, designed to help each student realize full potential at an affordable cost. We find it obligatory to take care of you in all aspects of life from now on leading to a lifetime relationship. Our teaching is focused on Pharmaceutical business world and its need through our personalized and interactive teaching methods. We Welcome you to Gautam Buddha College of Pharmacy and wish you luck.

**SOMIL KUSHWAHA**  
Chairman  
Gautam Buddha College of Pharmacy

## Director Message

The College of Pharmacy, located within Gautam Buddha Group of Institutions (GBGI) premises and established with a mission to prepare trained manpower in the field of Pharmacy, aims at enhancing the prestige that GBGI has earned over the years. Today, the profession of Pharmacy has expanded immensely and there are a lot of opportunities in Clinical Research, Nanotechnology, Molecular Biology, Phytochemistry and so on. The discipline has grown tremendously and recent advances in technology have created a lot of job opportunities in the field. The college has well-equipped laboratories and excellent infrastructure to make the students acquire knowledge that would help them to face the competitive world. National Seminars, Workshops and Industrial Visits are conducted in the college at regular intervals which enable the students to gain new knowledge. The institute also focuses on personality development, confidence building, research exposure and enhancement of communication skills.

## About College

The Institution is one of Lucknow's leading College providing quality education. The objective of establishing the institution was not merely to impart formal education but also to make the students better citizens by inculcating in them the values of self discipline, self-confidence, social service and humanity. The institution has well equipped library and computer lab for enriching students both academically and technically. We provide eco-friendly environment along with Wi-Fi connectivity. In our Institution's Campus we celebrate each and every festival so that values and ethics may develop in new generation because we believe:

*“Education is meaningless without customary morality”*

## D.Pharma

This course is designed to impart the job skills and research motivation in students to excel in all walks of life including the pharmaceutical sciences. The curriculum includes basic scientific and professional instruction as well as specialized training in the various branches including pharmaceutical analysis, pharmacology and pharmacy practice, Pharmacognosy etc.

## B.Pharma

A Bachelor of Pharmacy is an Undergraduate Academic Degree in the field of Pharmacy. It is a Prerequisite for further study in M.Pharma or in the field of research. This Course is more Popular because of diverse career options.

## Vision Statement

The institute envisions the hope that its diploma and graduates will be the leader of tomorrow. Their education is patterned with this view that creates an ambience in which new ideas, research and scholarship flourishes.

## Mission Statement

The institute aims to become a centre of excellence in pharmaceutical education & research. We are ready to provide quality pharmacy education supporting better health care program of the nation by training & educating students to contribute to the health of the community and who will become leaders and innovators of tomorrow.

## Objectives

- ▶ Provide quality pharmacy education supporting better healthcare program of the nation.  
To train and educate students to contribute to the health of the community.
- ▶ To train and educate students who will become leaders and innovators of tomorrow having concern for the community and fellow beings.
- ▶ To train and educate students who could later contribute to the creation, application and adaptation of pharmaceutical education.
- ▶ Play an important role in local national initiative to nurture interest in health sciences to become specialist on medicines.
- ▶ To advance pharmaceutical knowledge through research.
- ▶ To develop world-class pharmacy manpower.
- ▶ To enrich the professional knowledge of students through problem solving attitude.

## Our Courses

**D.PHARM**

**2 Years**

**B.PHARM**

**4 Years**

**D. PHARM (Diploma in Pharmacy)**

2 Years full-time diploma course in allopathy

### Eligibility

Candidates who have passed intermediate from U.P. Board or 10+2 examination from any other board with at least 50% marks (45% in case of candidate belonging to reserved category) in Physics, Chemistry and Biology or Mathematics are eligible for admission .

**B. PHARM (Bachelor of Pharmacy)**

4 Years full-time degree course in Pharmaceutical Sciences

### Eligibility

Candidates who have passed intermediate from U.P. Board or 10+2 examination from any other board with at least 50% marks (45% in case of candidate belonging to reserved category) in Physics, Chemistry and Biology or Mathematics are eligible for admission.

**LATERAL ENTRY IN B.PHARMA**

### Eligibility

Candidates who have done D.Pharm are Eligible for lateral Entry (2nd year) in B.Pharm

## Affiliation and Approvals

Approved by AICTE and PCI New Delhi, and affiliated to UP BTE and Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

## Infrastructure Details

### Class Rooms

The class rooms are subject specific and fully well ventilated along with the overhead and LCD projector facility. The institution also has tutorial rooms for the students who require extra lectures.

### Digital Library

The learning and resource center (Library) is the hub of all intellectual and academics. The library has a large pool of resources viz. latest world class Marcel Dekker series of pharmaceutical sciences, Indian and international journals, Pharmacopoeias (USP, BP, IP, EP) and many more that makes it as diverse as Pharma industry. Besides periodicals and references we keep the students up-to-date with the latest through the digital library that includes CDs, audio-visual, internet section, reprographic section.

### Laboratories

The role of theoretical as well as the practical knowledge is mandatory in any technical education curriculum that makes the laboratories the backbone' of a technical institute. The institute is furnished with well advanced hi-tech labs having all modern facilities. Following are the operational labs:

Pharmaceutical Chemistry- I, Pharmaceutical Chemistry-II, Pharmaceutics- I, Pharmaceutics-II, Biochemistry Pharmaceutics-III (Pharmaceutical Technology), Pharmacology, Pharmacognosy, Anatomy Physiology and Pathophysiology, Pharmaceutical Microbiology and Pharmaceutical Biochemistry, Machine Room Central Instrumentation Room

### Language Lab

A well equipped language laboratory helps student's weak in English hone up their language communication skill under the watchful eye of a full time faculty. The lab is an air condition network computer aided facility with dedicated software for developing language skill.

### Learning Supports - (Journals and Publication)

The college library has a subscription to numerous national and international pharmacy journals that provide constant learning support and references for students and faculties.

## COMPUTER CENTRE & WI-FI ENABLED CAMPUS (INTERNET FACILITIES)

Computer centre has latest configuration desktop PCs on network controlled by server. Also the operating systems like Windows etc., and various application software and database management system are available. The computer centre has the central power back up and will remain available to students at least 12-14 hours every day. This facility will cater to the need of all students and help them learn developing innovative program/software when they are young. The computer centre also has the high-speed internet connection for the students. Campus has high speed internet facility. All laboratories, faculty room, other section 6 hostels have Wi-Fi enabled internet facilities.

**MUSEUM** museum with display of crude drug samples, photographs of medicinal charts, proprietary medicines, containers, closures etc is established which is informative and educative.

**HERBAL GARDEN** developed a good numbers of medicinal and aromatic plants in its well organized medicinal garden. These medicinal plants enthuse the students to identify them for demonstration as well as extraction of different kind of drugs and also to generate an aptitude for research in pharmacogonosy and phytochemistry.

**HOSTEL** institute provides hostel and embedded with all modern facilities. Separate arrangements are available for girls. 24 hours internet and Wi-Fi facilities is available in hostel. The security issue of all the students can't be compromised, so they remain under the supervision of wardens and the hostel is regularly guarded by the security staffs.

**CAFETERIA**  
The institute has full-fledged cafeteria for preparing and serving snacks, tea, coffee, cold drinks and various other foods.

## SPORTS

Sports are a regular feature of our Institute. We have large playgrounds. Our students regularly participate in inter-college, inter-university and inter-state competitions. The institute has indoor games like Table Tennis, Carom and Chess etc. The institute has outdoor game facilities like ? Cricket, Volley ball, Badminton, etc.

## INSTRUMENTATION AND MACHINE ROOM

There are various support equipments i.e. spectrophotometer, projection microscope, cooling centrifuge, microscope, Brookfield viscometer with small volume attachment, high precision imported ph meter ,and refrigerator cooling cum solvent recovery facilities etc. machine room of the institute provides the facilities for pilot scale manufacturing of various pharmaceutical dosage form including tablet, semi solids, etc.

## PERSONALITY DEVELOPMENT

Personality development classes is conducted for all round development of our students. We invite guest speakers and conduct seminars, conferences and workshops on a variety of subjects. For ensuring the achievement of this purpose the institute regularly conducts entrepreneurship awareness programs.

## INDUSTRIAL TRAINING TOUR

We also organize industrial tours from time to time in leading industries to enable students to correlate their theoretical knowledge with their practical experience.

## TRAINING & PLACEMENT

The goal of the Training & Placement Cell of the Institute is to provide employment opportunities and world class training to students in leading organizations/Industry. It further provides ample opportunities to the students to develop their personality by conducting programs regularly on communication and other soft skills.

## AWARDS

As mark recognition of extraordinary merit, we offer merit, awards to deserving students.

## CCTV

Our campus is mentioned 24x7 through CCTV cameras for security, safety and discipline.

## GENERATOR

Care for students is our main priority and to provide them with comfort during power cuts, generator facility has been added.

*"The only person who is educated is the one who has learned how to learn ...and change."*
